WEEKLY CRIME REPORT

BM SECURITY — est.1984

INTRODUCTION

The Directorate of Criminal Investigations (DCI) has rolled out a countrywide transfer plan of more than 120 of its junior and mid-level police officers, a move directed towards restoring the public's trust following complaints on the number of collapsed court cases resulting from shoddy investigations by the officers.

Further calls for police officers transfers also rocked West Pokot County following increased cases of extrajudicial killings, abductions, and deteriorating insecurity in the region. The latest incident is the murder of former Kapyegoh Member of County Assembly whose body was found dumped in Kamatira forest.
