

WEEKLY CRIME REPORT

10th September - 16th September '19

OVERVIEW

The resurgence of juvenile gangs in the Coastal region and the local bank heists were this week's key security concerns. Our security sources indicate that at least five individuals were over the weekend seriously injured in Kongowea, VOK, and Leisure areas of Kisauni Sub-County by an alleged criminal organization made up of youth.

In a well-orchestrated robbery of ten minutes, two gunmen managed to seize an estimated Sh42 million cash from a pilot at Odda airstrip in Marsabit County while in transit to a local bank branch in Moyale town. So far, two bank robberies have been reported within a week this month, a worrying trend that has prompted police investigation to recover the stolen funds.
