

WEEKLY CRIME REPORT

5th November - 11th Novemebr '19

OVERVIEW

The continuous heavy downpours experienced in major parts of the Country have seen criminals take advantage of the situation to hijack motorists, rob passengers, homes, and business premises. The public is advised to exercise the necessary caution as our security sources report of a couple that was on Saturday carjacked and robbed in Kinangop, Nyandarua County.

Other than the above, there were growing concerns regarding the emergence of criminal gangs in Kisauni, Mombasa County and areas around Kijabe Mission Centre in Nakuru County. The police have so far taken the necessary measures and intensified patrols in the mentioned areas.
