WEEKLY CRIME REPORT

14th January - 20th January 2020

BM SECURITY est.1984

OVERVIEW

Increased security awareness from the police and public noted a significant decrease in the number of reported crimes and averted occurrences of heinous attack in the Country. Noted in our security sources are the arrest of five suspicious persons conducting surveillance at Whiskey River Lounge in Nairobi and the crackdown of immigrants across the country with no valid identification documents.

Other than the above, cases of fire were of great concern with particular focus being on schools fires reported at Bahati Girls School, Riabai High School, and Awasi Boys High School. Police have launched investigations into these fires since some of the school administrators suspected foul play.
